

# CORDLESS CLEANING

Keep the deck clear and your pool clean with a cord-free design

**iAquaLink<sup>®</sup>**  
CONTROL

**NEW!**

## Polaris FREEDOM™ Plus

- Hand-held remote uses LiFi technology to communicate with the cleaner under water
- The hand-held LiFi remote lets you call the cleaner to the waterline for easy, lightweight removal with quick water release
- View charging status, select from additional cleaning modes and receive end-of-cycle push notifications\* from the iAquaLink® app\*\*
- Premium outdoor-rated charging caddy\*\*\*

\*Only applies if retrieved during 10 minute timeframe following a cleaning cycle.

\*\*WiFi not available while cleaner is under water

\*\*\*Do not expose charger to direct sunlight, rain, or inclement weather

**iAquaLink<sup>®</sup>**  
CONTROL

**NEW!**

## Polaris FREEDOM™

- For the last 10 minutes of the cleaning cycle, FREEDOM climbs different walls and waits for 30 seconds at each.
- Water will quickly evacuate as you pull it out so there's no heavy lifting\*
- View charging status, select from additional cleaning modes and receive end-of-cycle push notifications from the iAquaLink® app\*\*
- Convenient storage and charging with Easy-Charge Station rated for outdoor use\*\*\*
- On-demand cleaning of either the floor or floor, walls and waterline – Plus, app-activated waterline only and SMART Cycle options

\*Only applies if retrieved during 10 minute timeframe following a cleaning cycle.

\*\*WiFi not available while cleaner is underwater

\*\*\*Do not expose charger to direct sunlight, rain, or inclement weather

**NEW!**

## Polaris PIXEL™

- Slide the power button, place PIXEL into the water and it goes to work
- One mode to completely clean the floor and cove of your pool in just 1.5 hours
- Waits on the pool floor at wall for easy retrieval with hook or floating leash
- Easy to handle for powerful cleaning of above-ground and simple in-ground pools

# Spabot™

NEW!

# SAY HELLO TO SPABOT

## THE WORLD'S FIRST HANDS-FREE AUTOMATIC SPA CLEANER

**NOW YOU SEE IT, NOW YOU DON'T**

Rotating brushes gather debris and channel it towards the debris inlet

**EASY-CLEAN CANISTER WITH TRANSPARENT LID**

Never touch debris again — the easy-access canister holds 1 liter of debris

**SPANAV™ TECHNOLOGY**

Dips and dives, crawls and climbs to maneuver around the small confines of the spa or hot tub\*

\*Not intended for pool operation

**FLOAT FINISH™ RETRIEVAL**

Innovative end-of-cycle buoyancy enables easy retrieval

# ADVANCED ROBOTIC CLEANING

This visionary class of robotic pool cleaners has become the benchmark against which all others are measured.

## Polaris ALPHA™ iQ+

- Illuminated Extra-Large Filter Canister – enhances ability to see debris
- SMART Cycle Cleaning Mode – calculates optimal cleaning time
- Deliberate Navigation – scans and measures pool
- Sensor Nav System™ – automatically adjusts and adapts cleaning to pool
- Full-Featured iAquaLink App Control – schedules recurring cycles, displays pool water temperature and more
- Automatic Performance Updates – via WiFi connection
- 7 Cleaning Modes – including SMART Cycle and Waterline Only
- Tangle-Reducing Swivel – includes 70-foot Tangle-Reducing Swivel cable for pools up to 60 feet long

## Polaris ALPHA™ iQ

- Intelligent Cleaning – SMART Cycle Cleaning mode, Deliberate Navigation, and Sensor Nav System™
- Connects via WiFi – for anytime, anywhere control on Android and iOS devices with ability to receive periodic performance updates
- iAquaLink Control – provides core features including countdown timer, remote control and dual mode selection
- Tangle-Reducing Swivel – includes 60-foot Tangle-Reducing Swivel cable for pools up to 50 feet long

## Polaris 7240 Sport

- Navigates Floors and Climbs Walls – for full pool coverage and a thorough clean
- Cyclonic Vacuum Technology – captures debris without losing suction
- Includes 50-foot cable, Easy Clean Filter Canister, and Transparent Lid

## Polaris 7000

- Cleans Pool Floor and Cove – thoroughly scrubs the floor and cove of above-ground and simple in-ground pools
- Cyclonic Vacuum Technology – captures dirt and debris without losing suction
- Includes 40-foot cable, Easy Clean Filter Canister, and Transparent Lid

# AN EPIC CLEAN STARTS WITH AN EPIC CLEANER

Put the powerful cleaning of Polaris robotic cleaners to work in your pool

## Polaris® EPIC – Core Features

- Cyclonic Vacuum Technology – powerful cyclonic action sustains suction and facilitates enhanced wall climbing on any pool surface
- Unmatched Maneuverability – agility to propel the cleaner up inclines and over obstacles with dual-traction motor technology for a tighter turn radius
- Easy Lift System – brings the cleaner up to the waterline and rapidly evacuates water for lightweight removal
- Double Helix Brush Design – strategically staggered rubber blades gently agitate debris and channel it towards the large inlet
- Transparent Lid – easily view debris to know when it's time to empty the large filter canister

## Polaris® EPIC™ 8642 iQ

- iAquaLink Control – now with scheduling!
- Front and Rear Dual-Traction Brushes
- 60-foot cable with Tangle-Reducing Swivel

## Polaris EPIC™ 8640

- Front and Rear Dual-Traction Brushes
- 60-foot cable with Tangle-Reducing Swivel

## Polaris EPIC™ 8520

- Front Dual-Traction Brush
- 50-foot cable

# SETTING THE PRECEDENT IN PRESSURE CLEANING

For 50 years, Polaris has been the top-selling pressure-side pool cleaner brand in the world. Focused on premium quality engineering, rugged construction and performance that is second to none.

TRADE SERIES  
**EXCLUSIVE**

## Polaris Quattro® Sport

- Active brushing attacks fine, stuck-on debris
- Aggressive wall-climbing 4WD agility enables advanced cleaning of the floors, walls and waterline
- Dual-stage filtration collects both fine particles and large debris
- Large easy-clean debris canister for no-mess cleaning—simply remove canister, shake and spray
- Extra-large debris intake and superior vacuum power easily vacuums up large debris like acorns, leaves and pebbles
- Multi-directional navigation delivers quick, efficient coverage of the entire pool
- Powered by a booster pump, which helps circulate clean, filtered water throughout the pool

- Cyclonic Turbines (2)

**BONUS!**

TAILSWEEP PRO

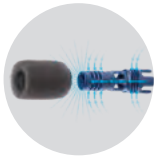

### Polaris® 3900 Sport

- All-wheel PosiDrive system
- Durable stainless-steel drive chain delivers 50% more torque than any cleaner in its class
- Maximum speed, climbing, maneuverability, and performance
- Dual-chamber zippered SuperBag picks up and stores debris
- Requires Polaris booster pump
- Includes BONUS TailSweep PRO® sweep hose accessory

**BONUS ITEMS!**

LEAF BAG

TAILSWEEP PRO

TRADE SERIES  
**EXCLUSIVE**

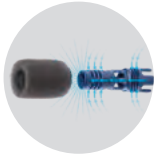

### Polaris TR35P

- Triple Venturi jets for greater vacuum power
- Large 2 1/4" vacuum inlet
- Sweep hose to clean steps and tight corners
- Large capacity, all-purpose premium zippered debris bag
- 31' of black feed hose to complement dark bottom pool floors
- Requires Polaris booster pump
- Includes BONUS TailSweep PRO® and leaf bag

**BONUS ITEMS!**

DEBRIS BAG

TAILSWEEP PRO

TRADE SERIES  
**EXCLUSIVE**

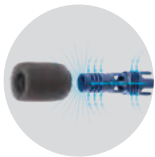

### Polaris TR36P

- Does not require a separate booster pump
- Operates on the pool filtration pump
- Triple Venturi jets for greater vacuum power
- Large 2 1/4" vacuum inlet
- Includes 31' of black feed hose
- All-wheel belt drive for exceptional power and efficiency
- Includes BONUS TailSweep PRO® and zippered debris bag

**IMPROVED!**

**Polaris PB4SQ™ Booster Pump**

- High-performance multistage pump reduces energy use by more than 30%\*
- Redesigned pump body housing features reinforced sidewalls, strengthening ribs and improved inlet and outlet
- TEFC motor and innovative fan are designed for quieter operation
- Includes Quick Connect fittings and easy access to wiring
- Multiple conduit ports for installation flexibility
- Lay-in style bonding lug for faster installation/winterization

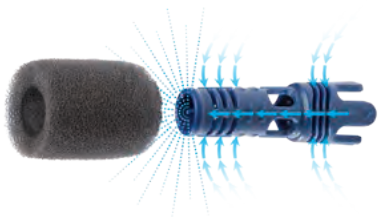

\*Compared to Polaris PB4-60

THP	WEF
1.13	0.5

**Polaris PB4-60 Booster Pump**

- Improved hydraulic design for optimal performance and efficiency
- New connectors for easy installation
- Energy-efficient pump operates on low-flow filter pumps
- Quality components and durable 3/4 HP motor
- Ergonomic drain plug

**TailSweep PRO®**

- An advanced sweep hose enhancement that provides maximum water propulsion to blow debris out of corners and hard to reach places, while also eliminating water from spraying outside the pool
- Maximum flow for ultimate sweeping action
- No more wet windows or walkways
